REGISTRATION DEADLINE: July 5, 2016

VISIONS VCB is a 35-acre year round residential rehabilitation and training center in Rockland County. This comprehensive vision rehabilitation facility is designed to encourage freedom of movement and independence. VISIONS' VCB activities encourage interaction and provide creative and enjoyable outlets.

ACTIVITIES at VCB are adapted to support all campers and encourage physical fitness, health and wellness. Some activities include swimming, pedal boating, fishing, tandem bikes, bocce, mini golf, crafts, music, dance and more!

STAFF at VCB camp have experience and expertise in supporting attendees with hearing & vision loss and have additional disabilities.

New York Deaf-Blind Collaborative (NYDBC) staff and other experts in the field of Deaf-Blindness will lead parent workshops to educate and develop skills. Families will share knowledge and experiences as they gain support from each other.

Co-hosted by Visions Center on Blindness, New York Deaf-Blind Collaborative and New York Parent Association of Deaf-Blind under the Family Engagement initiative. Sponsored by the Office of Special Education Programs.
